Metamorfosi, 3 November 2026

QUALITY & RELIABILITY S.A. (hereinafter referred to as the "Company") hereby informs the investing public that, following the resolution of its Board of Directors dated 30 October 2026, it has entered into an agreement with **ALPHA BANK S.A.** for the issuance of a secured common bond loan of up to **€7,900,000**.

The bond loan is expected to be fully subscribed by Alpha Bank, which will also act as Bondholders' Representative and Paying Agent. The bonds will be issued in three tranches, with a final maturity of seven years from the issuance date of the first tranche, in accordance with the terms of the agreement.

The proceeds will be used to partially finance the aggregate acquisition consideration for equity interests in **MTIS S.A., E-XIM IT S.A. and Alexander Moore S.A.**, as part of the Group's broader investment and growth strategy.

These investments strengthen QnR's capabilities in maritime and industrial technology, ServiceNow and SAP solutions, and business process automation. At the same time, they expand the Group's international presence, with Poland serving as a regional growth hub for Central and Eastern Europe.

The financing supports QnR's acquisition-led growth strategy and further strengthens the Group's presence in Greece and international markets.
